

Shabbat in Shul

Shabbat Shira

Opening Night

Thursday, January 13, 2011

7:30PM Judith Shulevitz, "The Sabbath World: Glimpses of a Different Order of Time" - "What if you wanted to revive something like the Sabbath today? What if you coveted some of that sweetness and slowness and went looking for ways to get it? What would you do? Would you commit yourself to the Sabbath's rituals and laws? How much would you be willing to change?" Come hear Judith Shulevitz speak about all of this as she talks about her new book "The Sabbath World: Glimpses of a Different Order of Time."
